RE*KINDLE

Arouse the flames of your passion to burn brightly... re*kindle your highest aspirations. Chapter 20, Fame and Reputation, i.e. awakened enlightenment by way of clinging fire, clarifies "Who you know yourself to be and what you are known for."

The words awareness, illumination, enthusiasm, respect and integrity are also closely associated with this energy. If the flames of your desires have been reduced to a pilot light, fan them with this chapter's wisdom. Allow the hearth of the home and the heart of the body to be where all things good and true dwell.

Re*kindle your hearth (outer) and heart (inner) to be known for kindness, generosity of spirit, clarity, and by all means, fan those flames.
